

TOWN HALL MEETING

Cleaning the air that we breathe...

On Thursday, May 29, the South Coast Air Quality Management District (AQMD) in conjunction with San Bernardino County 5th District Supervisor Josie Gonzales, will be hosting a town hall meeting to discuss community air quality issues. We invite you to attend this meeting, which will include:

- A presentation on local air quality and how it affects your health
- Information on air quality data taken around the TXI Riverside and California Portland cement facilities
- A question and answer period for you to share your concerns about local air quality issues

The AQMD is the government agency responsible for protecting you from air pollution and we believe that everyone should have equal protection. Please join us for this meeting:
